*The Graduating Class of 2005 is pleased to
dedicate this year's Proctorian to:*

Sarah Bernritter

When the Class of 2005 sat down to think of people who affected our time at Proctor High School, we found no prototype. Young, old, male and female, the list of teachers and community members who influenced our lives was endless, but one person stuck out in our minds.

Whether playing games, searching for her phone or helping students, she always has a smile on her face. She is one of those unique people who can always make you feel better about yourself with her boundless energy and invaluable advice. Whatever attribute it is that makes her so special, we will never know-- but she has effected our lives, and our gratitude is endless.

With the organization of a government office and the giggle of a school girl, she helped the class of 2005 every step of the way. Stringing streamers, picking up bottles and fighting for our needs, her humor and enthusiasm never let us down. She is a true inspiration to our lives, and so we dedicate the 2005 Proctorian to you, Ms. Bernitter. Thank you for all that you do.

EXCHANGE STUDENTS

Milena Hagedorn & Magdalena Czerminska

What surprised you most about America?

Milena: When I came to Vermont, I was surprised that it was very similar to Europe. The countryside looks as familiar as some parts of Europe.

Maggie: Everything is so far away! Rutland and Proctor are fifteen minutes away from each other.

What do you miss most about home?

Milena: I miss my family. I love to be together with them and look forward for my family's visit in the springtime.

Maggie: My independence. In Hamburg I can get around on my own and don't have to ask my parents to bring me some place. Germany has a very good public transportation system.

What are the most pronounced differences between Proctor and your school at home?

Milena: Proctor is a very small school in contrast to my school, but I enjoy my time here because you get to know almost everybody in school and it seems a little like a big family when you go to school.

Maggie: In my school every grade has its own clan room. We are allowed to decorate it on our own. I like how in America there are sports teams and after school activities. In Germany my school is often out at 1:25pm and everyone goes home!

Have you discovered any new foods?

Milena: One typical American food I like is Macaroni and Cheese.

Maggie: Oh yeah, peanut butter, Ben & Jerry's ice cream, and cereal in the morning.

Is there anything about the United States that you will miss when you go home?

Milena: I will probably miss my host family a lot. I feel very comfortable and enjoy my time in school, doing sports, music, and art.

Maggie: I will miss my rides to school by car. When I go back I will have to ride my bike again, even in winter. Yay, that's fun!

What is the most glaring cultural difference you have found?

Milena: I recognized that people in Europe walk a lot more outside and use more public transportation. I value my independence, although I cannot drive a car yet.

Maggie: Americans use their cars for everything!

What is your favorite memory of your time in America?

Milena: I loved to be on the soccer team and doing more sports than I was used to. I also do a lot more art and music than I did in Germany. I know the many skills I learned during my stay in the United States will remain with me forever.

Maggie: I enjoyed basketball and rock climbing the most. I had two great teams. Thank you guys! I will miss you.

Winter Carnival was a blast this year! The school was a buzz of school spirit throughout the week as students got in touch with their head-wear, plaid shirts with stripes and those sacred pajamas we have all grown to appreciate. Pajama day was even more fun this year because of the new dress code. Whether cheering on the basketball teams, finding a twin, singing to the sounds of karaoke or searching for that hidden M&M, teams put forth a huge effort. After a confusing mix of charts and graphs, of claculating and recalculating, the Juniors pulled through as the victors (don't worry, Freshmen, you'll make it another year!) and beat their senior opponents whose motto was: "We might blow it, but at least we're graduating!" Winter Carnival was a true mix of fun and games despite this competitive edge. Students finished the week by dancing to the sounds of student DJ's and were finally able to collapse after a week of late nights, cheering, and constant fun.

Boys Junior Varsity Basketball

It was a tough season mentally for JV boys as they met up with fierce competition. They played hard and well and none gave up. Senior Kevin McMahon sacrificed his varsity playing time to help the JV team. Highlights of the season include a comeback against Leland and Gray where the Phantoms pulled through with the win after trailing by 24 in the 3rd quarter, and a very competitive game against powerhouse OV later in the season when the team was down to 6 players. They were forced to end the season prematurely due to numbers. The team was coached by Mr. Brian Finnigan. The JV Phantoms will lose Kevin McMahon to graduation.

Girls Junior Varsity Basketball

The JV girls had a great season with an overall record of 13-4, losing only 1 home game. The team's most competitive games were always against rivals West Rutland, accounting for 3 of their losses. The team's biggest accomplishment was beating Twin Valley after losing to them earlier in the season. The team was coached by Mr. Bruce Baccei. The JV Phantoms will lose German exchange student Maggie Czerminka.

Buggiani Award

The Buggiani Award is given to two basketball players who demonstrate outstanding play, leadership, and sportsmanship on and off the court. They exemplify the true spirit of interscholastic athletic competition. This year's recipients are Ruby Sojourner and Josh Upson.

It was a rebuilding year for the Phantoms with only three returning players. New players and skilled freshmen rounded off the team's roster as they learned to play together as a team. Highlights of the season include big wins over Arlington and Division III Green Mountain, and a strong game against Otter Valley at home that kept the crowd on the edge of their seats. The team was coached by Dick Wilcox and assistant coach Brian Finnigan. The team will lose graduating seniors Shawn Blake (4 years varsity), Ben Killary, and Josh Upson.

Back Row: Ben Killary, Randy Chartrand, Jordan Snow, Alex Salgo, Gary Pelky Front Row: Kyle McQuarrie, Josh Upson, Shawn Blake, Sam Davine

With a record of 6-12 it was a tough season for the Phantoms. The team gained momentum as the season progressed under the direction of new coach Tiffany Corey and assistant coach Matt Esslinger. Highlights of the season include upsetting Poultney (56-48) in our gym full of PHS cheering fans, and beating Cabot in the first round of the playoffs after losing to them (72-46) earlier in the season. The girls came a long way as a team and ended the season on an upswing, winning their first playoff game in six years. The girls went on to play arch rival West Rutland in the quarter finals. The phantoms played a great game but could not pull out the win (40-37). The team will say good-bye to graduating seniors Olivia Kish and Ruby Sojourner.

MS Frog Survey

Mr. Hopkins' 7th grade science classes participated in the Annual Vermont Frog Survey. They captured a record number of frogs this year and only one of them had a deformity!

History Comes to Life

Juniors look the part as they debate and present material during U.S. History with Mrs. Sherman.

YEAR IN REVIEW

On the last school day prior to Halloween, students in Ms. Wolgamott's Advanced Art class passed out candy to middle school TAs wearing masks they created in the style of Bread and Puppet Theater.

60s Music

In an assembly sponsored by the Academic Boosters, music and anthropology paid tribute to the popular music of the 1960's through a live concert and follow-up discussion of such songs as "You Say You Want a Revolution." Students got a glimpse into the influence that music has on politics, culture and history and enjoyed some oldies at the same time.

Toys For Kids

In the fall, the Jr. High Peer Leaders collected new and nearly new toys. Each year the Retired Marine Corps League presents toys to area children in need.

Phantom Musical

Phantom Theatre performed "Little Shop of Horrors" under the direction of Mrs. Denise Andriscin. The cast surprised everyone with their ability to sing and act. During one performance, Alex Harrison improvised on the spot as she dealt with a wig malfunction and we saw a new side to Mr. Clenew as he danced and sang. Though the audience didn't see her until the end, Dani Cioffi stole the show as she brought the plant Audrey II to life.

PHS is Seeing Stars

Middle school students learned about astronomy this year in each of their core classes. The unit included seeing an inflatable planetarium in the gymnasium, designing constellation t-shirts, and painting constellations on the walls in Ms. Alberts' room. The unit ended with a community-wide stargazing event at T&T Field, complete with some impressive telescopes and knowledgeable guides.

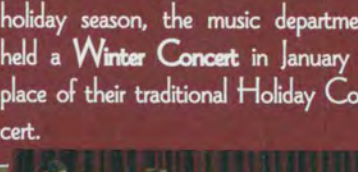

Our Very Own Home Town Hero

Nominated by Proctor students, Peg Bartlett, our Home School Coordinator, was awarded the Home Town Hero Education and Training award this year. Congratulations Peg! Thanks for all you do for our schools.

YEAR IN REVIEW

Induction Ceremony for National Honor Society

The ceremony opened with a few selections by the PHS Jazz Band. Victoria Young, Proctor resident and keynote speaker, challenged students to discover themselves, follow their inner voices, give back to the community, and realize that every one of us has the power to make a difference! New inductees this year include Brad Gordon and Jill Corbo.

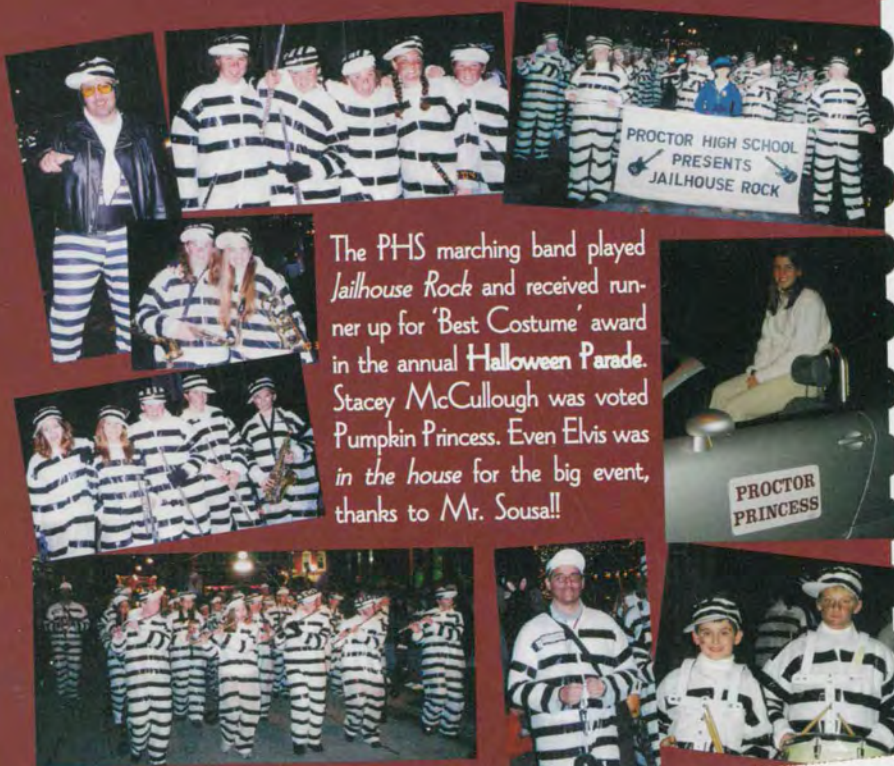

Due to the hustle and bustle of the holiday season, the music department held a Winter Concert in January in place of their traditional Holiday Concert.

The "Junk Man" Visits PHS

Time flew by during an afternoon assembly sponsored by the academic boosters as the "Junk Man" (percussionist Donald Knaack) entertained us all by banging on junk. He used everything from bottles to trash cans, brake discs to kitchen utensils and fly swatters. He even played on his own body! The best part of the show was the jam session at the end with everyone participating on wood, plastic, metal, or clapping from their chairs. Presidents "Abra-ham LIN-coln" "George WASH-ing-ton" "Thom-as JEFF-ER-SON" and "Bill CLIN-ton" will always be remembered in a new light.

The PHS marching band played Jailhouse Rock and received runner up for 'Best Costume' award in the annual Halloween Parade. Stacey McCullough was voted Pumpkin Princess. Even Elvis was in the house for the big event, thanks to Mr. Sousa!!

Saying Goodbye...

Mrs. Cameron, already it is so different here without you. We wish you well. Thank you for all of your years of endless dedication to our education. You've taught us so much and we'll miss you.

Tsunami Response

Ms. Wolgamott's middle school art classes made Tibetan Prayer Flags with messages of hope and support. Flags were hung in the halls so the wind of those passing by would carry those thoughts and prayers to the people affected by the disaster.

The National Honor Society placed donation jars throughout the community to raise money for tsunami relief efforts. Money raised was donated to CARE. A car wash is planned for June to raise additional funds.

Ed Gerety Visits PHS

Ed Gerety, noted speaker and author, came to motivate, inspire, and talk straight about influencing each other in a positive way. He helped us examine our own attitudes, values and behaviors, and everyone left with specific ideas about how to make it happen. What did we learn? That cows drink WATER, not milk. We don't know people's stories, so we need to be careful about how we treat each other. We should surround ourselves with positive people. We should believe in ourselves, and we shouldn't be afraid to say "I love you." Shawn Blake, we all love ya, man. Thank you Academic Boosters for helping to fund the event.

YEAR IN REVIEW

Members of Mrs. Molner's 9th grade Health class planned and carried out community service projects. Students baked cookies, played bingo, and musically entertained the elderly. Some members of the knitting club made an afghan, hats, and scarves for the women's shelter. Luke Holland raised money through a bake sale to send to his father's National Guard unit, which was about to be deployed to Kuwait. Hot on the list of much needed items were flea collars and snake bite kits. As a thank you, Luke received an Iraqi flag signed by his dad's unit.

GOOD THINGS COME IN SMALL PACKAGES

we LOVE our advertisers and you should too!! did you know that advertising pays for approximately HALF the cost of publishing our yearbooks? that's HUGE! huge meaning THOUSANDS of dollars!! you probably wondered why we had so many ads in our yearbook every year and now you know... goes without saying but we'll say it anyway... our yearbook wouldn't be affordable without the continued support of our advertisers?? imagine paying \$80 for a yearbook with no advertisers?? life without them is a section and check out the yearbook... tell them you love them!!

Becky,

Set your sights high, remember to be yourself, and enjoy the journey.

YEARBOOK... BEHIND THE SCENES

Back Row: Michelle Haley, Stacey McCullough, Seth Blaisdell, Kim Jones, Kyle Thornton
Front Row: Eli Brannon, Becca Van Horn, Alex Harrison, Jenn Barnard, Aisa Metcalfe, Ali Flewelling.

Our Theme: GOOD THINGS COME IN SMALL PACKAGES

Proctor High School is a GOOD place to be. Sometimes you just don't realize how good it is until it's too late (you've graduated, or maybe you've moved to another school). And so we want to remind you all. We have a lot to offer both in and out of the classroom, for such a small place, so take advantage of it! Be involved, and have fun. School is what you make it.

For those of you who beg to differ, we challenge you to find some good. Go ahead, we dare you! It's there waiting for you if only you would see it. Start with just one good thing a day. Maybe English was fun today, maybe your favorite color is lime green (if so you are in luck this year), maybe you love bagels or Salisbury steak, or maybe by coming to school you get to see your best friend every day. Whatever it is, think about the good things that make PHS a good place for YOU!

THE "ALL NIGHTER"

December 17, 2004: an unforgettable experience! Lots of laughs, lots of fun, pizza, a scare or 2, AND we got a lot done. We wouldn't have met our first deadline without the hard work of everyone who chipped in. You guys are awesome!

The crew that lasted until the bitter end... 1:45 a.m.

DOIN' WHAT WE DO...

Taking pics... building pages... proofing pages... makin' pages "themey" ...
bookkeeping... selling yearbooks... making corrections... selling ads...

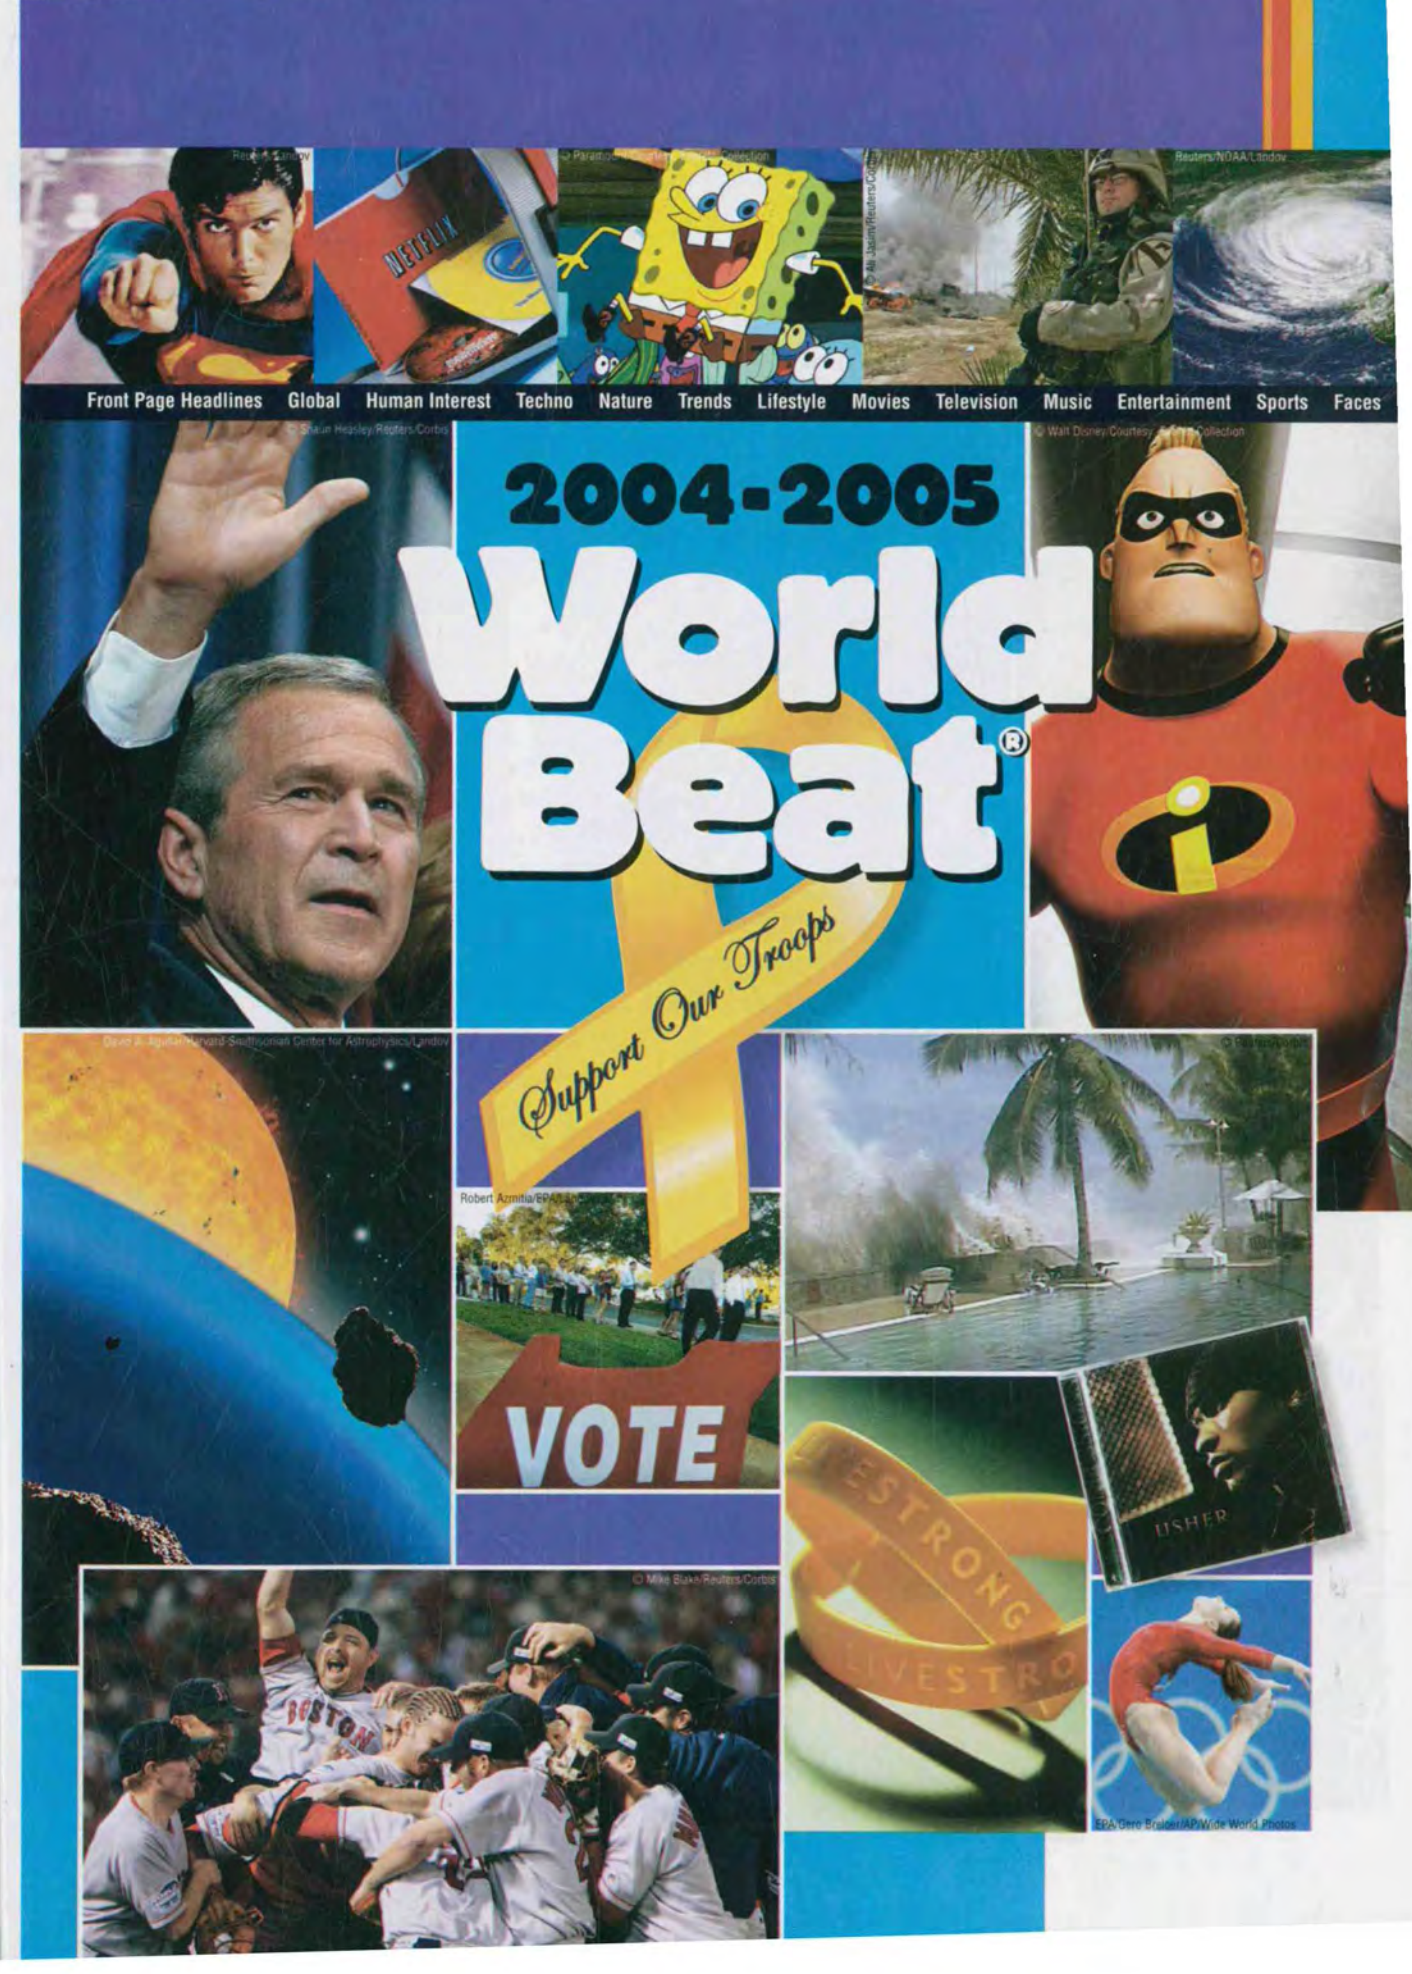

scanning images... prepping photos... billing advertisers... and a whole lot more... including delivering the daily attendance?!
